When Mia Strong, popular gaming blogger, auctions off her virginity online, she knows she'll make waves. But what she will not be making is a love connection. Her rules are set in stone: One night. No further contact.

It's a desperate step, but it's the only way she can go to medical school and pay her mother's mounting hospital bills.

Adam Drake, the enigmatic auction winner, is a software prodigy who made his first millions at seventeen. Now, in his mid-twenties, he's sexy, driven and--as CEO of his own gaming company--he's used to making the rules. Before Mia knows what's happening, he's found the loophole in the rules of her auction. Every stipulation she's made to protect her heart gets tossed by the wayside.

She can't tell if he's playing her...or if he's playing for keeps.
