Any suggestions for copywriter or provide generic description of the product to be used for the Internet or non-channel specific applications. NOTE: If you have a book only version for this product, it is imperative that you provide a description that does not include any references to package elements. Ever wonder why you have the number of friends that you do?...If a tax on soda would really reduce obesity?...What is going on with the financial problems in Greece?...or whether a tax rebate is better than a tax bonus?

MICROECONOMICS answers these questions and many more. Using intriguing pop culture examples, the Eleventh Edition is revised to include the most comprehensive coverage of the financial and economic crisis available in a principles of Microeconomics text. Self-tests help determine how well you're grasping the concepts, and CourseMate for Microeconomics offers a graphing tutorial, quizzes, videos and more. It's all carefully designed to help you get the best Microeconomics grade possible! Building on the Video Office Hours lectures developed by the author for the Tenth edition, the Eleventh edition features two entirely new video types - Video Questions and Problems and Working with Diagrams. Video Questions and Problems videos walk you through a worked problem, similar to those found at the end of each chapter, providing an ideal study tool for reference as you do homework. Working with Diagrams videos demonstrate key concepts in short (averaging 3-5 minutes) video pieces that can be played and replayed to see how the graphs and other diagrams are built.
