Wayne W. Eckerson

"The time is right for a definitive guide to building, managing, and sustaining dashboard and scorecard solutions, and this book fits the bill. As a key ingredient in business performance management, dashboards make it easier to monitor the execution of business strategies and plans, and deliver insight and information to workers across the enterprise. This book is a must-read for business leaders and would-be chief performance officers who want to learn about the tools and techniques needed to harness information and optimize performance."

—Godfrey Sullivan, President and Chief Executive Officer, Hyperion Solutions Corporation
