**The stunning epic fantasy debut!**

Young Talen lives in a world where the days of a person's life can be harvested, bought, and stolen. Only the great Divines, who rule every land, and the human soul-eaters, dark ones who steal days from man and beast, know the secrets of this power.

Now a being of awesome power, whose Mothers once ranched human subjects like cattle, feeding on their souls, has arisen in secret. And her monstrous, murderous pawn, a soul-bound creature created of wood and grass and rock roams the land. A massive and mis-directed hunt for soul-eaters is launched and Talen finds himself a target. Trapped in a web of lies and secrets, Talen must identify his true enemy before the new Mother takes back what is rightfully hers.
