**GOOD MONEY AND BAD MEN**

Outlaw Wes Cavanaugh knows that crime doesn't always pay—at least not much. That's why he and his partner, Mose, are willing to pay Jimmy Stock for information on a job that's guaranteed to pay off big.

Jimmy's made a career of selling tips to bandits, but the job he sells Wes—a payroll train about to leave Omaha—requires more than information. It requires a straight shooter who can hit targets from a long distance away...and in the outlaw business, even a straight shooter can't be trusted.
