The 13th Doorway D J Shaw

Sitting in their English classroom, three friends notice that their teacher's hand goes right through his interactive whiteboard and comes back dripping wet. Mark, Megan and Andrew are desperate to find out what lies behind this doorway - in Andrew's case, far too desperate! They soon realise that they are not the first to go through to the other side and are shocked to find out what has happened to the last person who tried. The inhabitants of this other worlds will seemingly stop at nothing to protect their home. You have all read books which take you to other worlds but this is a "spendidly original take" on an old theme. The creatures who inhabit this place and the job they have to do are brand new to literature. The Prostatum can take the friends back to the very point of all creation, as well as taking Mark, Megan and Andrew to twelve new worlds. Fans of Drama, Suspense, Puzzles, Intrigue, Danger, Horror and Sci-fi will be not be disappointed with this book - there is even a little Romance! So come on, join Mark, Megan and Andrew as they journey through....The 13th Doorway. www.facebook.com/13th.Doorway

Pearl Miller:

As a college student exactly feel bored to help reading. If their teacher requested them to go to the library or even make summary for some reserve, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading really. Any students feel that reading is not important, boring in addition to can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this The 13th Doorway can make you sense more interested to read.
