Dylan—a selkie—makes a terrible mistake when she brashly chases an evil sea witch onto land. Captured and stripped of her pelt—leaving her unable to return to the sea in her sea lion body—Dylan’s only chance of survival is to serve as the sea witch’s tool. Instead of allowing the sea witch to use her selkie ability to control water, Dylan asks a wandering enchantress to seal her voice, rendering her unable to use her selkie magic. Stranded—with no allies and no way to contact her family—Dylan fears she will never successfully steal her pelt back. Luckily, Dylan is not alone. She is befriended by Prince Callan, a kind, human prince whose country is being pulverized by the sea witch. Combining the strength of humans and the intelligence of the selkies, the pair unites to save their people. But when the storm is over will Dylan choose to stay with Callan, or return to the sea and leave him behind...forever?
