Aurora Sky: Vampire Hunter (5 Book Series) Nikki Jefford

From Book 1: If there is one thing eighteen-year-old Aurora Sky wants, it's to get off the iceberg she calls home. Being kissed before she graduates wouldn't hurt either.

Then a near-fatal car wreck changes everything. Government agents step in and save Aurora's life in exchange for her services as a vampire hunter. In Alaska. Basically she's a glorified chew toy. All thanks to her rare blood type, which sends a vampire into temporary paralysis right before she has to finish the job... by hand.

Now Aurora's only friends are groupies of the undead and the only boy she can think about may very well be a vampire.

(Mature YA, new adult series that becomes progressively more mature. Underage drinking, sexual situations, mild language and blood sucking.)
