Staring at the hands of two men greedily clutching her legs, Julia is frozen in place—unsure of how she should react to their dual-intimacy. It's one thing to have her photography professor show an interest in her, but to also have his identical twin making advances puts Julia's mind into a total state of chaotic confusion. Is she able to handle the pressure of choosing between two men, who both manage to take her breath away?

In the last week, Julia Peterson's life has become an emotional roller coaster with breathtaking twists that include breaking all the rules with a certain professor, to gut-wrenching horror as a stalker from her past lurks behind the scenes and threatens her new happiness.

Despite her attempts to conceal her secrets and keep her friends in the dark, she must learn to cope with the idea that not all secrets are meant to stay hidden. When her haunting past comes at her with a vengeance and life is determined to beat her down, Julia must discover true strength within herself before she is able to open her heart, find who she really is, and learn to love.
