“Charming characters, emotion galore, a small town—you’re going to love Donna Kauffman!”—Lori Foster

Nestled on the Maine coast, Blueberry Cove is a peaceful retreat compared to the excitement of exotic cities and foreign lands. But it's also the best place in the world for one woman to find her heart's true home...

Kerry McCrae's wanderlust has taken her to parts of the globe most people have only glimpsed in pictures. So why is tending bar at the family pub in Blueberry Cove after her Uncle Fergus's stroke an easier adjustment than she expected? And why hasn't she left once Fergus is back on his feet? When tall, tanned Cooper Jaxton walks through the door, she knows the answer in a heartbeat...

Born and raised deep in Australia's outback, Cooper never planned to leave the wild country he loves. But after almost a year of having Kerry—with her sparkling eyes and outrageous stories—on his cattle station, Cooper was stunned when she left. Suddenly home wasn't the same without her. Making his way to Blueberry Cove to find her is a risk, but Cooper is counting on the passionate connection between them to convince her that the only place either of them needs to be is together...

Let the honeymoon begin...

Includes a DIY wedding cake recipe!
