The Hand Grenade (Weapon)

Gordon L. Rottman

The Hand Grenade (Weapon) Gordon L. Rottman

The Hand Grenade is the dramatic story, covering its origins, development, use - in the World Wars and into the present day - and lasting influence on close-quarter combat and infantry tactics.

Allowing the user to inflict damage on his opponent within throwing range without leaving cover, the portable, lethally efficient hand grenade is a ubiquitous weapon of modern warfare, and has now found its way into law-enforcement arsenals too. In this engaging study the origins, development, combat use and lasting legacy of the military hand grenade are explored and assessed, accompanied by specially commissioned full-color artwork and an array of revealing photographs of grenades in use and in close-up.
