Dick Shannon can't seem to catch a break. He's a pilot, not a private investigator, but his employer, and his company assigned robot, HN-R3, seem to disagree. Dick stumbles through mystery after mystery, doing the dirty work for his company simply because no one else can.

Join Captain Dick Shannon and the harvest bot HN-R3, as they investigate some of the most unusual mysteries in inter-planetary history.

The Space Saga contains five unforgettable tales of deception, greed, and revenge. Watch as Dick attempts to outsmart a broken machine in Robot's Bluff, as he searches for an answer to the Robot Wedding, and join him and HN-R3 in the search for the missing persons in The Headless Hover Biker.
