John Newton, Charles Simeon, and William Wilberforce suffered lifelong opposition and endured for the causes of gospel truth, missionary zeal, and political justice. They found, in solid doctrine and humble joy, the tough roots for habitual tenderness in response to their adversaries-without doctrinal or moral flinching. They are examples of remarkable grace.

In Book 3 in The Swans Are Not Silent series, best-selling author John Piper looks at the lives of these three great men and focuses on how they not only endured great opposition, but that they did so with joy and without bitterness. Their lives exemplify how to set a pace and finish the race before us, encouraging every heart that it is possible to jump the hurdles in our paths.
