La Daga (Spanish Edition) Philip Pullman

Cuando el camino de Will se cruza con el de Lyra, el rumbo de sus vidas cambia para siempre. Will necesita descubrir la verdad sobre la desaparición de su padre. Para ello, iniciará un sorprendente viaje en el que se trasladará a una nueva dimensión, y conocerá a una extraña niña, Lyra. Ambos han pasado su infancia con juegos. A diferencia de ella, los de Will han sido muy en serio. Este desde hace mucho tiempo aprendió el arte de la invisibilidad: si él pudiera borrar todo, nadie descubriría la inestabilidad cada vez mayor de su madre y lograría separarlos. / Though ostensibly written for children, this heroic and heartwrenching His Dark Materials trilogy is beloved by readers of all ages. These three novels unlock the door to parallel universes where demons and winged creatures live side by side with humans, and a mysterious entity called Dust just might have the power to unite the universes—if it isn't destroyed first. Lyra, Pantalaimon, Will, and the rest embark on the most breathtaking, heartbreaking adventure of their lives. The fate of the universe is in their hands
