Sources of World Societies, Volume I: To 1600 Denis Gainty, Walter D. Ward

Designed to accompany McKay et al.'s *A History of World Societies*, each chapter of *Sources of World Societies* contains approximately six sources that present history from the perspectives of well-known figures and ordinary individuals alike. Now with visual sources and two more documents per chapter, this edition offers breadth and depth. Headnotes and questions supplement each document, while a new "Viewpoints" feature highlights two or three sources per chapter that address a single topic from different perspectives. Comparative questions ask students to make connections between sources and across time.

Sources of World Societies is FREE when packaged with *A History of World Societies*. For more information on the reader or on package ISBNs, please contact your local sales representative or [click here](#).
