The ISA Handbook in Contemporary Sociology (SAGE Studies in International Sociology)

This **International Sociological Association Handbook** presents and tracks the transformation of the societies and social relations that characterize the twenty-first century. The volume is organized around a conceptualization of three processes that are fundamental to the analyses of micro, meso and macro social relations: Conflict, Competition, and Cooperation. Case studies discuss and contextualize debates within an international overview of relevant literature incorporating material about North America, Latin America, Europe, Africa, and Asia.
