## Amy Winehouse: A Diva and Her Demons

**A revealing glimpse into the haunting life one of the most influential voices in recent history**

“Amy Winehouse was a platinum-selling artist known for her critically acclaimed albums, *Frank*, and *Back to Black*. Her most popular songs, “Rehab”, “Back to Black”, and “You Know I’m No Good”, received critical acclaim and international praise. Her unique fusion of musical genres and incredible talent are what set her apart from all the rest. Sadly, it was her personal demons that ended it all.

According to Amy’s father, Amy was rebellious and wild as a child. She was very close to her dad, as she was more like him than her mother. He encouraged her to play her music, take risks, and took care of her throughout her life.

As an adult, Amy Winehouse’s life was a wild roller-coaster ride of emotions and disasters. It was complete with break-ups, excessive substance abuse, and violent fights. Amy was an incredible talent, but was lost because of the personal demons she had to fight on a regular basis; drugs, alcohol, personal life, and the press. It’s because of these tragic circumstances, that she was taken from us too soon. Help was offered to her and denied for a long time - as is exemplified by her song “Rehab”
