Recovering from Losses in Life H. Norman Wright

Life is marked by a variety of losses, says certified trauma specialist H. Norman Wright. Some are life-changing, such as leaving home, the effects of natural disasters or war, the death of a loved one, or divorce. Others are subtle, such as changing jobs, moving, or a broken friendship. But whether readers encounter family, personal, or community disaster, there is always potential for change, growth, new insight, understanding, and refinement. Writing from his own experience, Wright covers such issues as the meaning of grief, blaming God, and learning how to express and share in times of loss. Now repackaged and updated with additional material, Recovering from Losses in Life will help readers find hope in difficult times. Study questions included.
