Have you ever ridden on a magic carpet or tamed a cage full of savage beasts from the darkest jungles of Africa? Adventurous siblings Lisa, David, Stacy, and Karen Michalove have!

Under the care of a jolly elf, the Michalove children go on fanciful journeys among the stars, under the sea, to the North Pole, and to many other unusual, fascinating places. They encounter talking ants and farm animals, dancing pumpkins, and green cheese-eating Martians. But no matter where they go or who they meet, from the darkest recesses of a cave to the farthest reaches of the moon, Lisa, David, Stacy, and Karen always return to the comforts of home and family.

These treasured stories, originally written to connect a father at war in Vietnam with his four kids back home in America, will inspire children to expand their imaginations while learning important lessons about love, respect, and responsibility. Encouraging a unique closeness between parents and their children, this read-aloud collection will whisk families away on truly fantastic adventures.
