Gardens of Water: A Novel Alan Drew

Gardens of Water is an enthralling story of two families, and two faiths, in Turkey at the time of the cataclysm of 1999. It tells of Sinan, whose daughter, Irem, dreams of escaping the confines of her family and the duties of a devout Muslim woman. She sees in Dylan, an American boy and her upstairs neighbor, the enticing promise of another life. But then a massive earthquake forces Sinan and his family to live as refugees in their own country and leads to a dangerous intimacy with their American neighbors, as Irem and Dylan fall in love. When Sinan finds himself entangled in a series of increasingly dangerous decisions, he will be pushed toward a final betrayal that will change everyone's lives forever. Powerful and beautifully written, Alan Drew's *Gardens of Water* marks the debut of a brilliant new American writer.
