## MacGregor's Gathering: MacGregor Trilogy 1 Nigel Tranter

At the beginning of the eighteenth century, one of the most exciting and romantic periods of British history, the famous Rob Roy MacGregor and his gallant nephew Gregor, a fierce young highlander loyal to the cause, led the MacGregor clan into battle against the English Army.

Outlawed and landless, they still clung to Glengyle, one small remaining corner of their ancient territories, and held fast in their loyalty to the Stuart King over the water.

But in the midst of the political struggle young Gregor still managed to find time to pay court to Mary Hamilton, a lovely girl who at first rejected his rough Highland ways...

*The beginning of the heroic story of Rob Roy MacGregor, as told by Nigel Tranter, master of Scottish historical fiction.*
