Where the Blind Horse Sings: Love and Healing at an Animal Sanctuary Kathy Stevens

More than anything else, this is a book about love. In this deeply moving account, you will hear about Rambo, a sheep who informs the staff when another animal is in trouble; and Paulie, a former cockfighting rooster who eats lunch with humans; Dino, an old toothless pony who survived a fire; and many more. Alongside these horses, roosters, pigs, sheep, rabbits, cows, and other animals is a staff of loving humans for whom every animal life, even that of a frog rushed to the vet for emergency surgery, has merit. Reading this book can profoundly—and joyously—change your life.
