BIG BAD VIKING BOX SET Joanna Davis

You think you can resist me, woman. You're wrong. By tonight, you will be mine.

This box set includes three standalone novels full of hot Viking alphas and happy ever afters!

TAMED BY THE VIKING

He who tames a wild heart can rule the world...

When Jofurr of Ranolf travels South to claim his Uncle's throne and rich farmland, he must learn his people's new ways. After years of raiding he is unaccustomed to such a settled life style or the comforts of home. When he spies the beautiful woman swimming alone, he is instantly smitten. But when he tries to approach her, she runs away.

Adisla lives between two worlds. The daughter of a Viking woman and a Saxon man, she is neither accepted nor embraced by either. Her place among the Vikings is tenuous at best, forcing her to support herself and her young brother by her cunning alone. When the handsome King approaches her, she thinks he simply wants to rut with her, as many of the other Viking warriors have tried to do.

Jofurr's obsession with the elusive beauty grows apace with the rumblings of war with the Saxon King. Can he tame Adisla in time to save her from the coming battle?

VIKING MINE

Eirik leads the band of the fiercest warriors in the north. They are known and feared on either side of the wide sea. But he has a thorn in his side- a rag tag bunch of Vikings who keep encroaching on his land. Sigrid is a fierce Viking Warrior in her own right, determined to steal back the land that was stolen from her father many years before. Her people are in dire straights and it is her responsibility to return their settlement to it's former glory.

When Eirik's men capture the Warriors, he is shocked to find that their leader is a woman- not just any woman- one whose beauty would rival that of the Goddess Freya. He determines to show her her place- in his bed- but she publicly challenges him before he can make his decree. If she wins, he will return her people's lands to them. If he wins, she will serve him in whatever manner he chooses.

VIKING THRALL

Esme is left behind when the Viking marauders appear in their sleepy village. She hopes to bargain with them, a cask of fine wine for the safety of the orphans she watches over. But once the Viking's fierce leader

sets eyes on her, his intentions are plain.

Magnus cannot believe his sight. The cantankerous woman he's been arguing with through the stone wall turns out to be the fairest creature he has ever seen. He resolves to have her, then and there. He doesn't realize that convincing her will be another matter altogether. With one word, he protects her and seals her fate...

"Mine."
