Aleister Crowley's Illustrated Goetia Aleister Crowley, Christopher S. Hyatt, Lon Milo Duquette, Peter Conte, Daniel Pineda

In 1904, Aleister Crowley commissioned, edited, and introduced an English translation of The Book of the Goetia of Solomon the King, the first of five magical texts known as the Lemegeton. Yet few have actually worked the system, believing one must conform blindly to the archaic procedures and long-winded conjurations of the original text. But Crowley's attitude toward the Goetia appears to have been different. His masterful expansion and perfection of the Preliminary Invocation of the Goetia is a prime example.

This new edition of the Goetia features an introduction explaining Goetic Magick. Goetia refers to all the operations of that Magick which deals with gross, malignant or unenlightened forces. Goetia is sometimes thought of as a wild card, something that can get out of control, something which expresses the operator's lower desires to control others and improve his own personal life. And, in fact, this potential loss of control, this danger, the desire for self-improvement and great power is exactly what attracts many people to the Goetia while horrifying and repelling others. Crowley's Goetia is brought to life by David P. Wilson with vivid illustrations of the Goetic demons, while Lon Milo DuQuette and Christopher S. Hyatt bring the ancient art of Goetic Magick to life in the modern day. Christopher Hyatt joined with Lon Milo DuQuette and David P. Wilson to glean extraordinary magical and philosophical treasures from this most misunderstood subject.
