## Fixing the Hole Katherine Halle

Heavy rains and strong winds slammed an uprooted tree through Steve Crowell's roof, leaving a gaping hole to match the one in his heart. After his ex left him for a younger man, Steve's not sure he's ready to handle another disaster.

His best friend highly recommended a contractor, but the man's already late. When he shows up with his music thumping, Steve isn't impressed. Until Riley steps out of his pickup truck. Personable, gorgeous, Riley talks a mile a minute, which Steve finds both ridiculously endearing and terrifying. Piecing together a heart isn't as easy as fixing a roof, but Riley might just be the right man for the job.
