Deviant:

When Angela Jacobson takes up a job as personal assistant to one of the youngest and best lawyers in town, she gets much more than she bargained for. Her new boss, Tanner Jacobson, is a savage lawyer, unbelievably good looking, and he's offering to take Angela on as his protégé. Will Angela be able to handle all the pressures of her new job? Her boss is terrifying, aggressive, and sexy as hell. And what will Tanner think of his new protégée Angela? As late nights working together offer sinful temptation, will Tanner be able to limit his guidance to the legal sphere? Or will his mastery of her extend to the bedroom, where carnal pleasures await?

All Tied Up:

Gina Lewis has just won herself a job at one of Manhattan's best restaurants. She's leaving her small town life—and a cheating ex-boyfriend—behind, and chasing her dream of being a world-class chef. When she walks into the kitchen at her new job, she realizes that she might just be walking into a new romance too; Hunter Thomas, Gina's co-chef, is sexy and arrogant. Their mutual attraction is a perfect recipe for a steamy sexual encounter, unlike anything that Gina has ever experienced before. But it will take a special kind of strength to keep her new life on track. Will Gina's new found romance with Hunter hinder or help her in creating a new future?

Stolen Kiss:

Shelley Longfield has secretly lusted after her boss, the sexy billionaire Hunter Bankston, for years. As his personal assistant, she's seen the type of girls he usually dates: willowy, high class, well dressed blonde women and feels her curvy body and inexpensive wardrobe just simply isn't up to snuff. She runs his office with a ferocity that keeps her colleagues on their toes - a quality that leads Hunter to see potential for something more in his assistant. One evening, Hunter demands Shelley drop off some files to him that he requires, but to her surprise she discovers there is much more going on than simply work: a workshop is being offered on BDSM. Shelley is shocked, though obviously aroused by the sight. But when Hunter offers to give her a lesson in BDSM, what will Shelley do? Will she seize the opportunity to realize all of the fantasies she's built in her mind? And what will happen after their after hours run in?

Crush:

Laid off after her company has downsized, Jessica Palmer moves to New York searching for opportunities. But finding a job is hard work and sitting at home doing absolutely nothing is even harder. She enrolls herself for guitar lessons while she's job-hunting and when that doesn't occupy her as much as she would've liked, she decides to join a gym too.

There she finds Steven Benedict, a lust-inducing trainer who is sex on legs. As he gives her a tour of the amenities Fire Fitness Club provides, Jess learns that he's charming, confident and smells like molten lust. With her sexuality charged, she accepts an invitation to have dinner with him. What more could a girl want? But when he comes over to pick her up, she soon discovers that he's sexual in ways she's never known. Will

his dominant nature in the bedroom scare her off? Or will she find herself a willing submissive?

This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.
