## Norman Rockwell: My Adventures As an Illustrator Norman Rockwell

In this autobiography, Norman Rockwell describes his early struggles to become an artist: his rising career as a popular illustrator of magazines and advertisements; his experiences with colleagues, models, and clients; his periods of self-doubt and how he overcame them. Examples of Rockwell's art include both old favourites and less familiar works. Tom Rockwell, the artist's son, who worked with his father to produce this book in 1960, added an afterword on the artist's last years for this edition.
