The Spanish-American War

Brad K. Berner

The Spanish-American War Brad K. Berner

The Spanish-American war was fought in numerous theaters?this *Historical Dictionary* is the first work to provide an accurate and detailed description of the conflict in all its arenas: Cuba, Guam, the Philippines, Puerto Rico, Spain, the United States, and the major European powers. In addition to including pre-war items from the Cuban and Philippine Revolts to the *Maine* disaster, the *Dictionary* covers major battles, correspondents, military leaders, military units, newspapers, politicians, weapons, and writers. Specific data is provided on the principal ships of the Spanish and American navies. Berner also provides in-depth coverage of the post-war period, and thoroughly discusses the Armistice Protocol and the Treaty of Paris which provided a diplomatic end to the war. There are also entries on the major scandals, such as the "Embalmed Beef Scandal," that erupted during the post-war period.

Berner concludes the book with a selected bibliography of the most important works on the Spanish-American War. He provides more comprehensive information than competing volumes on the Spanish-American War, particularly on the complex diplomatic maneuvers of major European and Western Hemisphere nations such as Austria-Hungary, Cuba, France, Germany, Great Britain, Japan, Italy, and the Vatican. An impressive work of scholarship that encapsulates not just the military engagements, but the wide-ranging political and cultural significance of the Spanish-American War.

From reader reviews:

Patrick Perkins:

What do you ponder on book? It is just for students because they're still students or the item for all people in the world, the actual best subject for that? Only you can be answered for that query above. Every person has various personality and hobby for every other. Don't to be pressured someone or something that they don't want do that. You must know how great along with important the book The Spanish-American War. All type of book can you see on many options. You can look for the internet methods or other social media.

Robin Curtin:

In this age globalization it is important to someone to find information. The information will make someone to understand the condition of the world. The healthiness of the world makes the information better to share. You can find a lot of personal references to get information example: internet, magazine, book, and soon. You can see that now, a lot of publisher in which print many kinds of book. Often the book that recommended to you is The Spanish-American War this book consist a lot of the information from the condition of this world now. This book was represented so why is the world has grown up. The words styles that writer value to explain it is easy to understand. Typically the writer made some exploration when he makes this book. Here is why this book ideal all of you.

Nancy Herman:

Do you like reading a guide? Confuse to looking for your chosen book? Or your book was rare? Why so many question for the book? But any people feel that they enjoy with regard to reading. Some people likes examining, not only science book and also novel and The Spanish-American War or perhaps others sources were given information for you. After you know how the good a book, you feel would like to read more and more. Science publication was created for teacher or perhaps students especially. Those books are helping them to increase their knowledge. In different case, beside science e-book, any other book likes The Spanish-American War to make your spare time more colorful. Many types of book like this one.

Ricardo Hempel:

As a scholar exactly feel bored to be able to reading. If their teacher expected them to go to the library or make summary for some publication, they are complained. Just small students that has reading's internal or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that reading through is not important, boring and also can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this The Spanish-American War can make you truly feel more interested to read.
