*If you believe in destiny like I do, and you think there's even a remote possibility we're meant to be together, then find me I'm yours."* —Mr. WTF

In one sentence—one serendipitous moment—everything Mags Marclay, an offbeat, wry, 24-year-old struggling artist living in L.A., has ever known is forever changed as she is led on a treasure hunt to find her soul mate.

*Find Me I'm Yours* is a highly entertaining, unconventional virtual page-turner. Become immersed in Mags's world through original artwork, hand-written lists, graphics, and Instagram photos within the book. You can go even deeper into the *Find Me I'm Yours* universe by clicking on embedded links leading to interactive content that's expertly woven through the novel, including:
