**Skulduggery Pleasant Book 6: Death Bringer + The End of the World (Novelette) (2 Books)** Derek Landy

**Death Bringer** The sixth instalment in the historic, hysterical and horrific Skulduggery Pleasant series. Think you've seen anything yet? You haven't. Because the Death Bringer is about to rise! The Necromancers no longer need Valkyrie to be their Death Bringer, and that's a Good Thing. There's just one catch. There's a reason the Necromancers don't need her any more -- because they've found their Death Bringer already, the person who will dissolve the doors between life and death. And that's a very, very Bad Thing!

..... **The End of the World (Novelette)** Skulduggery and Valkyrie are back, in an exclusive World Book Day novelette, set after the momentous events of Death Bringer! Hey, punks! Skulduggery and Valkyrie are about to make your day! 15-year-old Ryan is running away from home, looking for escape and adventure. But unfortunately, sometimes people DO get what they wish for. Ryan hasn't gone far before he is set upon by a bunch of scary, nihilistic punk-sorcerers who need him to set off a doomsday device that will destroy the planet and everyone on it. Fun! Riding to the rescue, however, is a certain skeleton detective and his teenage partner/combat accessory. Now Skulduggery and Valkyrie only have a few hours to figure out what's going on, while saving Ryan and -- incidentally -- the whole world. And all that time, the punk-sorcerers are closing in!
