Garan the Eternal: An Epic Adventure of Time and the Stars Andre Norton

Few authors have achieved such renown as World Fantasy Life Achievement honoree and Science Fiction Writers of America Grand Master Andre Norton. With the love of readers and the praise of critics, Norton's books have sold millions of copies worldwide.

In our world he was Garin, jet pilot and explorer. In the lost land of Tav, he was Garan, who would supply the link with their most ancient past. And in a world far distant in space and time, he was Garan of Yu-Lac, who would stand alone between a planet's doom and the ones he loved.

Garan the Eternal is a web of wonders woven by a master writer. It is the story of three lives tied by a recurrent destiny—that of Kepta the Ambitious, of Thralla the Divine, and of Garan himself, man of three worlds.
