Live the Theology You Believe! Many of us understand faith intellectually, but our hearts have not quite kept up with our heads. Sonship is designed to help you take some of the glorious theological truths of the gospel, truths you may know in your head, and apply them to the nitty-gritty reality of daily life. You'll find that as the gospel remakes you, there is greater joy and desire to share the wonderful news of God's loving-kindness with others. This 16-lesson updated and reformatted edition of Sonship challenges participants to take basic gospel truth and apply it deeply to their lives. Designed to be used with Sonship Audio and the Mentored Sonship Program. Many have adapted it for use in small groups and Sunday schools. "In my own life there has been no seminar, conference, book, or teaching aid which has given me as profound an understanding and experience of the implications of the gospel as Sonship." Scotty Smith, Pastor, Christ Community Church, Franklin, TN.
