Fundamentals of Statistics, Books a la Carte Edition (4th Edition) Michael Sullivan III

This edition features the exact same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value—this format costs significantly less than a new textbook.

Drawing upon his passion for statistics and teaching, Mike Sullivan addresses the needs of today's students, the challenges teachers face, and changes in the statistics community. With feedback from his own students and classroom experience, **Fundamentals of Statistics** provides the tools to help students learn better and think statistically in a concise, friendly presentation.
