This package includes MyCounselingLab®.

In this widely popular guide, future and practicing clinicians and counselors get a sound base of knowledge about alcohol, tobacco, and other drugs (ATOD) and practical help for working with clients who are misusing or abusing these drugs. Now updated to cover the changing substance abuse problems in our nation and around the world, *Substance Abuse Counseling, 5/e* by Stevens and Smith includes informative case studies and includes individual chapters on special populations and the health disparities related to substance abuse among minorities.

Personalize learning with MyCounselingLab®

MyCounselingLab® is an online homework, tutorial, and assessment program designed to work with the text to engage students and improve results. Within its structured environment, students see key concepts demonstrated through video clips, practice what they learn, test their understanding, and receive feedback to guide their learning and ensure they master key learning outcomes.
