In this sizzling finale to The Ring series, the Owens brothers and the Lyon sisters face their most challenging obstacles yet. Uncertain as to how her and Jah's relationship is going to turn out, Tirzah makes the decision to go out and get her own money at a local strip club, and when she goes in for the interview she finds that the club owner wants to give her more than a job. Rell and Tamera are doing everything in their power to make their love work. They have plans to get married and settle down for the long run. But when an ex girlfriend of Rell's returns to Chicago with the intention to get her old love back, Rell is faced with a temptation that could break the bond he's established with Tamera Lyon...if he lets it. Meanwhile, Jah's enemies are still out to get him. As usual, he's more than prepared to take care of them. But when one of his own friends turns against him, will he be wise enough to take notice, or will he be the next dead body stretched out in the cold Windy City streets? Find out in The Ring 4: A Chicago Love Story.
