**The Way of Boys: Promoting the Social and Emotional Development of Young Boys** Anthony, PhD Rao, Michelle Seaton

Boys will be boys . . . It's time we stopped trying to "fix" them.

Boys today are being bombarded with a slew of diagnoses—ADHD, Asperger's, bipolar disorder—at an alarming rate and at younger ages. *The Way of Boys* urges parents, educators, pediatricians, psychologists, and other developmental experts to reevaluate and significantly change how we deal with our youngest boys. When parents understand the wide spectrum for *normal boy development*, they can successfully communicate with their son—and everyone in their son's life—and help him grow into a healthy and smart young man.

Dr. Anthony Rao challenges some of the potentially harmful assumptions, attitudes, and behaviors we've developed toward young boyhood over the last few decades. *The Way of Boys* is a celebration of natural, constructive boyhood development and an expert, definitive handbook on what to look for and expect in normal growth.
