- **Check-Raising the Turn:** Check-raising the turn is one of the most powerful moves in PLO, especially as you move up into the more aggressive mid and high stakes games.

Getting big value bets paid off on the river is the easiest way to rapidly build your win-rate. In this chapter, you will learn which opponents are easiest to value bet, and how to "playing the hand backwards" can help you choose the optimal bet sizing.

- **Triple Barreling:** Triple barreling and double barreling share a couple of similar characteristics, but they're different enough to make spending some time on each one individually necessary.

In this chapter, you'll learn why it's important to get caught bluffing, and the three keys to triple barreling profitably.
