## **Blues in Black and White: A Collection of Essays, Poetry and Conversations** May Ayim

The ever-engaging work of the controversial Afro-German activist/writer, May Ayim, covers a fascinating range of themes: biography, politics, love as well as the absurdities of everyday life. Her unique ability to passionately transform diverse subject matters into poetic language is revealed in this important collection of translated pieces. Her play with language is effective and at times transformative, as it expresses and exposes dangerous stereotypes and messages hidden in the everyday use of language and human behavior. Here, her readers will be surprised and frequently confronted with Ayim's keen and powerful observations of the complexities of life and the compelling richness of humor and irony within them.
