Pastor Gregg Matte writes, “God’s will is not the needle in the haystack discovered only by ‘Navy SEALs for Jesus’; it is actually the hay in the haystack to be found by every believer.” This is great news for any Christian who has ever wondered about finding and living in the will of God. Through an extensive, intimate examination of God’s encounter with Moses in the burning bush, *Finding God's Will* invites readers to shift their understanding of God’s will from an event to be experienced to a process to live; God’s will is what happens when we seek Him.

Readers will find out how to be on the lookout for their own burning bushes; how to focus on pleasing God and how to expect God’s power as they seek His will. They may also be surprised to find that, as they seek a deeper relationship with God, His direction and guidance become clear. A life centered in God’s will is a promise offered to every believer and now everyone can learn how to receive that gift.
