For those filmmakers who want to make films and do not want to spend a lot of money renting equipment, this book is indeed a generous gift. The clear presentation and the popularization of common knowledge of photography make this book a reader recommended by many experts. What is amazing about this book lies in the fact that what the author Mr. Selakovich has experienced and done personally makes each page of content clear. According to the comprehensive and detailed building instructions introduced in the book, you can build your own film equipment without spending too much money in the purchase and lease of equipment. Do it yourself and build them now! Dan Selakovich will teach you how to make the rocker, the photography trolley, the rail, the car bracket, the sandbags and the tripods and other equipment.
