Sage Jenner is a kindergarten teacher who seems to have it all together. She seems ‘the girl next door’ all grown up—perfect hair, perfect skin, perfect teeth, and perfect life. However, this has not always been the case. She has endured a lot of horror in her life to get to where she is today. And to keep herself together, she invests herself in the children in her classroom. However, there is still something missing in her life. For some strange reason, deep and passionate desires are bubbling beneath her. She has never felt this way before and she doesn’t understand why.

Marcus VanderZanden is the king of all vampires who is on the search for a mate to rule beside him. Five years ago, he sets his sights on a beautiful, dark-haired beauty, but it is not time yet. He must study her carefully, and make sure she is ‘the one’. He must really get to know her without revealing his identity. And most importantly, he must use all his power to make her feel uncontrollable ardent emotions in his presence.

Will Marcus be finally able to seduce Sage and find his queen? or will Sage’s problematic past end up being too much of a challenge for Marcus to handle?
