This is a comprehensive yet concise review textbook and examination guide covering the entire spectrum of paediatric surgery. The 460 questions and associated explorations are structured such that the complete curriculum is addressed in a systematic manner simply by solving the EMQs and reading the subsequent discussions. Each chapter provides relevant information and evidence-based facts and figures on a specific area, alongside practical discussions from the expert panel of internationally acclaimed authors. It further acts as a compendium of current research by compiling salient details from other texts. Succeeding in Paediatric Surgery Examinations Volume 2 is highly recommended for candidates of postgraduate paediatric examinations. It is an excellent overview that will also be of great benefit to practicing paediatric surgeons and urologists, paediatricians, urologists, general surgeons and orthopaedic surgeons.
