**The Early Sessions: Book 1 of The Seth Material (Seth, Seth Book.)** Seth, Jane Roberts, Robert F. Butts  
Seth is the acclaimed non-physical teacher whose collected works are the most dynamic, brilliant and undistorted map of inner reality and human potential available today. His articulation of the furthest reaches of human potential, the eternal validity of the soul, and the concept that we create our own reality according to our beliefs, has been presented in books that have sold over 8 million copies and been translated into over a dozen languages. Seth's empowering voice clearly stands out as one of the major forces which led to the New Age and consciousness studies philosophical movement.

The Early Session Books are the material given by Seth in the first 6 years of his relationship with channeler/medium Jane Roberts and her husband Rob Butts. It consists of the first 510 Seth sessions dictated by Seth and presented in 9 volumes. The Early Session books are foundational to the study of the Seth material, and contain Seth's teachings on a vast array of topics. These topics include, health and healing, the art of creating your reality as you wish it to be, the ego, the inner self, the whole self, non-physical reality, after death experience, spiritual growth, dreams, lucid dreams, out of body experiences, esp, clairvoyance, the inner senses, politics, world events, religion, sexuality, reincarnation, and much more. In addition, The Early Sessions show the actual evolution of the Seth material, the first questions asked by Jane Roberts and Rob Butts, Seth's detailed, step by step explanation of his philosophy, and methods of practical application to daily life.
