## The State of Art Criticism (The Art Seminar)

Art criticism is spurned by universities, but widely produced and read. It is seldom theorized and its history has hardly been investigated. *The State of Art Criticism* presents an international conversation among art historians and critics that considers the relation between criticism and art history and poses the question of whether criticism may become a university subject.

Contributors include Dave Hickey, James Panero, Stephen Melville, Lynne Cook, Michael Newman, Whitney Davis, Irit Rogoff, Guy Brett and Boris Groys.
