## **This Is My Century: New and Collected Poems** Margaret Walker

Margaret Walker became the first African American to win a national literary award when her collection *For My People* was chosen for the Yale Series of Younger Poets in 1942. Over the next fifty years she enriched American literature in endless ways through her writings and, in 1993, she received an American Book Award for Lifetime Achievement.

*This Is My Century* is Walker's own defining summation of her career. Selected by the author herself, the one hundred poems include thirty-seven previously uncollected pieces and the entire contents of three hard-to-find volumes: the award-winning *For My People* (1942), *Prophets for a New Day* (1970), and *October Journey* (1975).
