## **For the Time Being** Annie Dillard

From Annie Dillard, the Pulitzer Prize -- winning author of *Pilgrim at Tinker Creek* and one of the most compelling writers of our time, comes *For the Time Being*, her most profound narrative to date. With her keen eye, penchant for paradox, and yearning for truth, Dillard renews our ability to discover wonder in life's smallest -- and often darkest -- corners.

Why do we exist? Where did we come from? How can one person matter? Dillard searches for answers in a powerful array of images: pictures of bird-headed dwarfs in the standard reference of human birth defects; ten thousand terra-cotta figures fashioned for a Chinese emperor in place of the human court that might have followed him into death; the paleontologist and theologian Teilhard de Chardin crossing the Gobi Desert; the dizzying variety of clouds. Vivid, eloquent, and haunting, *For the Time Being* evokes no less than the terrifying grandeur of all that remains tantalizingly and troublingly beyond our understanding.
