Stop the Coming Civil War: My Savage Truth Michael Savage

In his trademark in-your-face style, bestselling author and top conservative talk-show host, Michael Savage has a lot to say about the state of the country in STOP THE COMING CIVIL WAR.

According to Michael Savage, OUR NATION IS IN REAL TROUBLE and the seeds of a second conflagration have been sown. Not between the states - but between true patriots who believe in our nation's founding principles and those he believes are working every day to undermine them and change the very nature of the country.

Michael Savage is convinced we face more than just political differences. He believes the split between right and left is possibly irreparable - unless we understand what's really happening and how we must act to stop it. This fervent warning offers the Savage truth - a call to action in the voting booth - in order to defend the freedoms our Constitution so brilliantly established.
