## **Do you want to know what made Bill Gates “The Richest Man in the World”?**

This book offers an introduction to Gates, his business success and the lessons that we can learn from him. It is not a text book nor a biography, but more of a cheat sheet for reading on the bus or in the bathroom, so that you can pick out the most significant points without having to carry around a bag of weighty tomes. You can read it all in one sitting, or look up specific case studies as and when you are looking for inspiration or direction. The key lessons outlined here are drawn from interviews Gates has given over the past 40 years, from the numerous blogs and articles written about him, and, most importantly, from the successes and failures on his road to the “Richest Man in the World”.
