Creative Knitting: A New Art Form. New & Expanded Edition (Dover Knitting, Crochet, Tatting, Lace) Mary Walker Phillips

The first book to introduce knitting as an art form, this classic guide has been newly revised and expanded to offer even more suggestions and inspiration. Mary Walker Phillips shows how to use traditional stitches in original ways to produce highly decorative creations rather than strictly functional items. Scores of examples demonstrate methods for taking basic knitting skills into new and rewarding directions.

Clear, easy-to-follow diagrams and color photos supplement the text. In addition to serving as practical guides, the illustrations offer a vast gallery of ideas. Many of the pictures are accompanied by detailed analyses that provide a foundation for experimentation. Phillips discusses the use of a wide range of nontraditional materials, including linen, silk, and leather. A chapter on the history of knitting offers insights into the nature of the craft as well as further sources of creative vision.
