Island Magic

Elizabeth Goudge

Island Magic Elizabeth Goudge

The Channel Islands were divided in allegiance between France and England. Of French blood, and yet subjects of Queen Victoria, the islanders were curious hybrid creatures. But now, in 1888, England is slowly stretching out her arms to them.

Colin du Frocq is eight years old, and his dreams are of the sea that surrounds his home. By day he steals away and takes to the sea in any boat that is sailing. At night he lies in bed listening to the waves beating against the shore. Then one night, in a wild storm, a ship drives onto the nearby cliffs and a strange man enters Colin's life, changing Colin's course forever.

"A glowing book...beloved scenes transplanted into the gardens of the Channel Islands." (The New York Times)

From reader reviews:

Mary Rohan:

Why don't make it to become your habit? Right now, try to ready your time to do the important action, like looking for your favorite guide and reading a book. Beside you can solve your problem; you can add your knowledge by the publication entitled Island Magic. Try to make book Island Magic as your good friend. It means that it can being your friend when you truly feel alone and beside regarding course make you smarter than before. Yeah, it is very fortunated to suit your needs. The book makes you more confidence because you can know everything by the book. So , we should make new experience and also knowledge with this book.

Angela Dickens:

The book Island Magic can give more knowledge and information about everything you want. Why then must we leave the great thing like a book Island Magic? A few of you have a different opinion about e-book. But one aim this book can give many information for us. It is absolutely suitable. Right now, try to closer with your book. Knowledge or facts that you take for that, you can give for each other; it is possible to share all of these. Book Island Magic has simple shape but you know: it has great and big function for you. You can search the enormous world by wide open and read a guide. So it is very wonderful.

Carolyn Robles:

Don't be worry for anyone who is afraid that this book will certainly filled the space in your house, you can have it in e-book means, more simple and reachable. That Island Magic can give you a lot of pals because by you looking at this one book you have issue that they don't and make you more like an interesting person. That book can be one of one step for you to get success. This book offer you information that possibly your friend doesn't realize, by knowing more than other make you to be great folks. So , why hesitate? Let me have Island Magic.

Adam Perlman:

As a scholar exactly feel bored to be able to reading. If their teacher inquired them to go to the library or to make summary for some publication, they are complained. Just minor students that has reading's heart or real their leisure activity. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that reading is not important, boring and can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Island Magic can make you really feel more interested to read.
